Basketball for Life Skills (BASKI)

Newsletter 2

In the first meeting, which has been postponed several times due to the limitations of Covid-19, the project initiatives since 2020 were considered, and a report was made after the end of the first phase of the project. Basketball For Skills BASKI project for Basketball and Education was presented by the partners from Cyprus, Bulgarian, Romania, Northern Macedonia, Greece and Italy. The online meeting was held on 21/12/2020. The activities were implemented, and the calendar of actions was discussed, including the development of online modules, usability tests, and tools for the online learning environment. After this meeting, the project was divided into modules:

- 1) Communication
- 2) Teamwork
- 3) Troubleshooting
- 4) Flexibility
- 5) Creativity
- 6) Leadership
- 7) Interpersonal Skills

The modules were divided among the various project partners, who spent the first six months researching and preparing the basic information needed to develop a training program.
